

Tri Town Youth Athletics Association, Inc.

PO Box 252

Alexander, NY 14005

## **UNIFORM POLICY**

Parents and Players are responsible for their individual uniform. You are also responsible for the care and up keep of the uniform throughout your specific season. This uniform is only to be worn to your games. Please do not wear this uniform to practice or to play in at home.

The jerseys and shorts / pants **MUST BE** returned to Tri Town at the end of the specific season. Please be aware that you're in season commissioner will be holding a collection date for this. If you fail to return the uniform you will be financially responsible for the replacement cost of it. You will also be financially responsible for a replacement piece if any of the uniform is returned in an unusable condition due to something other than normal wear and tear during games. Until the fee is paid in full your child **WILL NOT** be allowed to participate in future activities.

We will do our best to "fit" your child with the most appropriate size possible. If you feel as if your child may need a different size in anything that is handed out please advise your season coach or commissioner so that they may make arrangements for it to be replaced.

Many extras that your child may receive could be anything from hats, t shirts, or socks. These items are yours to keep. Your specific coach will let everyone know what will be going on with any of those items during the season.

When caring for your uniforms please be advised as to the following when drying them. Many of the uniforms have a material on them that may melt if in the dryer. Your best bet is to hang the jerseys to dry. Washing should require that you turn the uniform inside out. Please do not use bleach or excessive scrubbing. We have the uniforms professionally cleaned after each season and they are very good about any stains that are on them.

**These uniforms represent TRI TOWN and the future of our organization! Please treat them with respect!**
